### INSURANCE GUIDELINES TO OBTAIN AUTHORIZATION

All insurances are not the same. Some require that you call, while others you are able to obtain on-line. The requirements that are the same across the board are below.

**REQUIRED** documents you will need when obtaining an authorization:

1. Patient Demographics
2. CPT's of all tests you are requesting
3. ICD10 codes along with description
4. Current patients history and documentation of prolonged diagnosis

After submitting an authorization, the case may go peer-to-peer. This means you will need to have a nurse, PA or the referring Doctor contact the insurance company.

If you would like SDMI to obtain authorization for you, write "PLEASE OBTAIN AUTH" at the top of your referral and send with all of the required information listed above. The insurances noted in **GREEN** will not allow SDMI obtain authorization. It must come from the referring doctor due to contractual agreements.

**\*\*SDMI'S PRIOR AUTHORIZATION DEPARTMENT IS UNABLE TO OBTAIN AUTH FOR STATS\*\***

**\*\*For BC/BS Prior Auth: Unfortunately SDMI is not able to obtain auth for ALL plans within BC/BS. Please note, requests will be referred back to the referring doctor to complete.**

*SDMI IS NOT ABLE TO ACCEPT THE FOLLOWING INSURANCES:*

*AARP Medicaid Complete, Amerigroup Medicaid, Culinary, Humana HMO, UHC HMO, Pacific Care*
